Before

After

30 Years Walking Together, Toward a Future We Create Together.

Inzai City will celebrate the 30th anniversary of its municipal incorporation in Reiwa 8 (2026).

It has been 30 years since Inzai City was established.

Together with many residents, the city has grown into a community of over 110,000 people.

Why not take a moment to look back on what has changed—and what has remained the same—over these 30 years?
