= How to Separate and Dispose of Recyclables and Garbage =

Inzai City prepared a leaflet regarding the method of separation/disposal of household garbage ("How to Separate and Dispose of Recyclables and Garbage") in English/Chinese/Korean/Plain Japanese version. The leaflet is available at Clean Promotion Division (*Clean-Suishin-ka*), Inzai City Office, or refer to the website of Inzai City.

inzai garbage

An application that shows how to dispose of garbage is also available. Please download it from the link. Available in English, Chinese, and Korean as well as Japanese.

▲Google Play

Take out household garbage to any garbage-collection site at each area in the morning on the designated collection date (by 8:30 a.m.) after separating it correctly.

In the case of disposal of oversized garbage and TVs / airconditioners / washing machines / PCs are not collectable. For more details, refer to the website of Inzai City.

Inquiries for garbage collection: Inzai Clean Center Tel: 46-2732

For the others: Clean Promotion Division (Clean-Suishin-ka), Inzai City Office Tel: 33-4504
